Meet Softengi at CeBIT 2012

On March, 6 - 10, Softengi will participate in the annual global IT exhibition CeBIT in Hannover, Germany.

Traditionally, Softengi will join our Swiss partner OSEC together with other IT service providers in the frame of SIPPO program.

Together with the main competencies – software development, development centers and IT BPO – this year we will present MS SharePoint based solutions aimed to automate full-cycle of an enterprise internal business processes. Besides, we'll show the experience and new technologies in Mobile application development we've gained during last year.

We invite you to meet us at CeBIT 2012 in the **Hall 3, Stand A20**.
